

Copyright Statement (for further information, contact GEUS)

Proprietary Rights and Copyrights

This data set contains data and documentation which are the exclusive property and copyrights of the Geological Survey of Denmark and Greenland (GEUS). GEUS transfers the proprietary rights only to this copy of the data set to the Customer. No proprietary rights, copyrights or other rights contained in the data set are transferred to the Customer.

Customer's Rights

The Customer has the right to use the Data for internal purposes only, including the right to process the Data, the right to data extraction from the Data, and the right to make a limited number of copies of the Data for internal use.

Redistribution

The Customer is not entitled to copy, publish, resell, lend or rent samples of the Data or part hereof or otherwise redistribute the Data (original as well as processed Data) without the prior written consent of GEUS.

Liability

GEUS warrants that Data are in accordance with GEUS' databases at the time of production.

Data are collected and interpreted in accordance with the scientific practice at the time of the data collection. However, GEUS disclaims any responsibility for the quality of the Data and the applicability of the Data to the Customer's purposes. Therefore, GEUS does not assume any liability in respect of the consequences of the Customer's use of the Data, whether the consequences are caused by defects or shortcomings of the Data, the Customer's handling or use of the Data, or by any other reason.
